Mrs. Stella Crooks, missionary evangelist, and Miss Ida King, returned missionary from China, are to hold a special campaign meeting in the Nazarene church on Academy street, Friday evening at 7:30 o'clock. In connection with this meeting Rev. A. E. Galluay, pastor of the church, said Tuesday that a mission-

ary campaign is being held throughout the churches of the New England district of the Pentecostal church of the Nazarene.

The campaign began with a young people's rally held at Malden October 6, and at the close of this meeting fifty young people closed the series of missionary work, several of them being definitely called to the foreign field.

Mrs. Crooks and Miss King were leaders of this rally, as they are in special interest in the meeting they are to hold in Danielson on Friday evening.

Nine persons were seen by Dr. Hugh B. Campbell of Norwich at the tuberculosis clinic held in the new health station of the Civic Federation in the basement of the town hall building, on Tuesday forenoon. The new health station is exceedingly neat and attractively fitted and serves the visiting nurse, Miss Miriam Bloomhower, a real headquarters for her work. The woodwork has been done in immaculate white enamel, the floor covered with linoleum and the rooms fitted to meet the requirements of the work that is to be carried on there. Dr. Campbell seemed especially pleased with the new station, which is being inspected with interest by the public.

Oliver F. Downs, one of Brooklyn's hustling farmers, is engaged in disposing of a big crop of cauliflower, of which very little was grown in this section of the county until the advent, a few years ago, of a group of successful Long Island farmers. The cauliflower is now raised by the acre in Brooklyn and Mr. Downs is one of the largest growers.

There will be particular interest throughout Killingly in the case of the state vs. Daniel T. Mulcahey of Worcester, scheduled to be tried before Judge Greene and a jury in the superior court in Putnam today (Wednesday). Mulcahey is charged with a violation of the motor vehicle laws of the state. His apprehension followed an accident in which a machine he was driving figured on the state highway near Dayville Four Corners on a night in August of last year. William Moran and Harold Fields, both of Dayville, were knocked down and seriously injured when they were struck by the Mulcahey car as they were walking along the side of the highway close to the trolley track. Both young men remained in the hospital at Putnam for many weeks and neither has as yet fully recovered from the injuries they received. Mulcahey was apprehended in Putnam a few minutes after the accident and held there for local officers. There have been many delays in reaching the case in the superior court, but it is definitely assigned for today.

C. H. Pellett is confined to his home by illness.

Miss Emma McBride has been the guest of friends in Westfield for a few days.

Gaston A. Maindon, recently appointed scaler of weights and measures by the selectmen of the town of Killingly, will take up his duties at an early date.

A meeting of the Girls' club was held at their rooms in the Exchange building on Tuesday evening.

One commitment to the county jail, on a charge of intoxication, has been made this week from the town court of Killingly.

Tramps have been rare indeed for the past four years, but they are again putting in an appearance in this part of the state.

For the first time, a number of women attended and participated in the republican caucus held to nominate candidates for representatives, judge of probate and justices of the peace.

Complaints are being made that gardens are being raided and stripped of about everything that it is possible to carry off without spending a whole night on the job.

Harry Young is executor of the estate of his brother, Ralph C. Young.

Game officials are keeping close tabs on hunters these days. While there is no direct evidence of it, it is taken as strange in some quarters that flocks of partridges have disappeared from territory where no guns have been heard, and it is believed that snarers are again at work.

Good progress is being made at Holbrook on the construction of the new Strand theater, leased by J. P. Lewis of the Lewis-Brown theater circuit.

The Connecticut Mills team will meet North Grovesend Sunday next in what is expected to be a real fast and exciting game of baseball one of the last of the season.

The state highway department had a heavy scraper at work on the highway near Attawapung on Tuesday, removing rough places in the state road.

PUTNAM

While setting up wireless apparatus at his home, 253 School street, about 5 o'clock Tuesday afternoon, Blisworth Sabin, 15, son of Mr. and Mrs. John Sabin, was electrocuted. It is thought that a wire he was handling came in contact with a high tension wire carrying 2,200 volts. As soon as his condition became known he was rushed to the Day Kimball hospital but he died on the way. At the time of the accident he was working on the aerial at his home with William Mansfield. Mansfield was not injured.

Young Sabin was the oldest of three children and was a sophomore at Putnam High school.

A number of persons who have been held at Brooklyn jail to answer to criminal charges were arraigned in the superior court here before Judge Garfield Greene, of Norwich, Tuesday morning at the opening of the October term of the court.

In the absence of State Attorney Charles E. Searls, who as yet has not sufficiently recovered to come into court, Attorney Samuel E. Harvey of Willimantic acted in Mr. Searls' place as special attorney for the state. Attorney Charles L. Torrey of this city appeared as public defender.

A full court room assembled to witness the disposition of the cases.

Alexius F. Ryan, of this city, pleaded guilty to a charge of carrying concealed weapons and was sentenced to serve one year in jail, execution of the sentence being suspended and Ryan placed on probation under the care of F. W. Seward. Attorney Arthur S. Macdonald appeared as counsel for Ryan and in his statement to the court explained that the weapon that was not loaded at the time the incident that caused Ryan's arrest occurred.

Frank Moreau, charged with having committed an indecent assault upon the person of Miss Marion Morris, at Abington, on the night of May 9 last, pleaded not guilty. This case will go to trial.

Another plea of not guilty was entered by Albert Rose, 15, who is charged with having broken into the place of business of Fred E. Franklin of this city. Rose's case also is expected to go to trial.

A sentence of indefinite stay at the state reformatory at Cheshire was pronounced by Judge Greene in the case of Eugene Renner, of North Grovesend, who pleaded guilty to breaking and entering two stores in that place on June 28, and stealing \$50. The places burglarized are conducted by Theodore Duval and Alfred Menier.

Stanley Kaminski, 17, of Killingly, was another who was held under a suspended sentence. Kaminski was charged with having stolen, on May 8 last, \$180 from his brother-in-law with whom he was living. Since that time the youth has been held at Brooklyn jail. In his behalf it was stated by Attorney Harvey and Attorney Torrey that all of the stolen money excepting what the accused had spent for a suit of clothes had been returned to its rightful owner and that the brother-in-law had no desire that further punishment be inflicted upon Kaminski, who was sentenced by the court to serve one year in jail, but sentence suspended and the youth placed in charge of Attorney A. G. Bill of Danielson as probation officer.

A plea of not guilty was entered by George Aldrich, of Putnam, charged with abuse of a female child—Isabella Minor, on August 15 last. This case is listed for trial.

Frank Williams, 24, formerly of Willimantic, and Victor Rainville, 22, whose home is in Worcester, were both sentenced, and will serve time, after pleading guilty to a charge that they stole an automobile in Willimantic on August 21 last. Williams was given a year in the county jail and Rainville not less than a year nor more than 18 months in the state prison.

Attorney Harvey explained that the car these young men stole was the property of C. H. Foster of Lebanon and that it was taken from the street in Willimantic about 10:30 on the night of August 21, and driven through to Woonsocket, where an officer arrested the young men.

It was related in court that Rainville, since his arrest, has been boastful of his knowledge of methods of automobile stealing and also claims to be absent without leave from the army post where he has been stationed at San Antonio, Texas. As a boy he was an inmate of a Rhode Island reformatory.

In passing on the case, Judge Greene remarked that he had wearied of having stolen automobile cases come.

Everett Lamoureux and Leona Lamoureux, of this city, pleaded guilty to a charge of adultery. Lamoureux was given not less than one nor more than two years in the state prison, while Mrs. Lamoureux was sentenced to serve a year in jail.

Mrs. Lamoureux is the wife of Alex-

under Lamoureux, brother of Everett.

In explaining the case to the court Mr. Harvey said: The accused seems to have entirely supplanted his brother in the affections of this woman.

Lamoureux has been in difficulties with the law for years. He is now on probation after facing a charge of theft in court, has been in a reformatory in Massachusetts and in the county jail five different times.

Joseph Sarris of this city, charged with theft, will be given an examination, as to his mental condition. He has been a patient at the Norwich State Hospital and was on parole from the institution at the time he is alleged to have committed the theft charged against him.

Charles W. Holbert, 21, the young man who broke into the Putnam railroad station on the night of September 28 and raided the restaurant, pleaded guilty to breaking and entering and was sentenced to the state reformatory at Cheshire. He said that his home is in Cleveland. He was only recently dishonorably discharged from the U. S. navy.

John Burke, alias Joseph Fay, alias Mott Haven Red, and John Ryan, alias Charles Somers, the men who were arrested in Danielson during the early hours of Sunday morning, August 23, and held just blown upon the safe, each received a sentence of not less than four nor more than five years in state prison. Burke pleaded guilty to the charge against him, while Ryan pleaded guilty to being in the store, but not to robbing the safe. Burke was represented by Attorney P. J. Danahy of Willimantic, while Public Defender Torrey was counsel for Ryan.

Prosecuting Attorney A. G. Bill, of Danielson, produced in court the record of Burke as prepared by the Pinkerton agency. This record lists a long series of crimes, chiefly post office burglaries, for which Burke served many years in Sing Sing, Auburn, Leavenworth and other places. Burke admitted the correctness of the record with the exception of one sentence in Auburn prison. The man is in the last stages of tuberculosis and is upwards of 40 years of age. It is expected that he will be placed in the hospital ward upon his arrival at Wethersfield, as he is almost helplessly ill.

Ryan denied that he is Charles Somers, but photographs and other data left no doubt in the mind of court officials as to his real name. He stated his desire to make a statement to the court and in doing so said that he had been drinking on the night of the safe-blowing at Danielson. He said that he went to the Jaroski store with Burke and another man that he did not know; that he stood in the store and had nothing to do with blowing the safe. Ryan claimed that there were three in the party and that the man who invited him on the expedition and who unlocked the door was the man who escaped through a window as the men who captured him entered the store.

Nathan Friedberg, of the town of Plainfield, pleaded not guilty to receiving cloth stolen from the plant of the United States Finishing company at Sterling. He is represented by Attorney Arthur Brown.

Court will come in again at 10 o'clock this morning, with a jury present, and the following cases on the criminal list assigned for trial: State vs. Charles Danahy, violation of the motor vehicle law; state vs. Russell Ide, driving automobile while intoxicated; state vs. Frank Moreau, indecent assault; state vs. Albert Rose, breaking and entering; state vs.

A motor bus was used on Tuesday to convey prisoners from the county jail at Brooklyn to this city and back again. Deputy Sheriff C. E. Ayer, Edwin Bennett and John Pitts were in charge of the prisoners.

While there was no outward observation on Columbus day, the anniversary was marked by the giving of a program by Cargill council, K. of C. Banks suspended business for the day. Mr. and Mrs. George H. Presser have been spending a few days in Vermont.

It was indicated on Tuesday that there is a growing interest in the special city meeting that is called for Friday of this week to pass upon the matter of appropriating \$5500 for the purchase of a motor-driven ladder truck for the fire department.

Miss Hazel Davis, who has been visiting in Worcester for a few days, has been steadily improving, but is not yet well enough to resume his duties at his office.

No Fear Now of Indigestion

A Host of People Seem to Thrive on What Used to Provoke Indigestion Before They Learned of Stuart's Dyspepsia Tablets.

When the stomach becomes sour, with gasiness and heartburn due to indigestion or dyspepsia, relief may be had by one or two Stuart's Dyspepsia Tablets. Simply chew them, no hot water nor any other fillers for a stomach perhaps already too much overcrowded.

These tablets supply to the stomach the alkaline effect which is what relieves the sour acid condition. They also contain a quantity to help digest the starchy foods such as potatoes, rice, oatmeal, white flour, etc.

Get a 50-cent box of Stuart's Dyspepsia Tablets, have them on hand at all times and thus have no fear of indigestion or dyspepsia.

The fact that these tablets are on sale everywhere in the U. S. and Canada shows how generally recognized they are as an efficient aid when the dyspeptic stomach needs a little help.
